

AccountMate ERP Releases AccountMate Enterprise 2019

AccountMate Continues to Expand their Product Lines to Meet Client Demands

(Petaluma, CA) (July 25, 2019) ([BUSINESS WIRE](#)) AccountMate Software releases AccountMate Enterprise 2019. It is AccountMate's latest installment to their expanding product line offering.

After 30 years of software development, AccountMate Software Corporation remains a strong ERP software manufacturer that consistently enhances product lines to satisfy their thousands of clients.

This AccountMate Enterprise 2019 version includes the financial suite of modules as well as payroll. It combines an enhanced feature set and expanded functionality as a result of its dynamic database design.

David Dierke, President and CEO, commented that "this newest version of the AccountMate Enterprise software demonstrates both our development and strategic ability to continue to provide the type of system that clients have come to rely on us to produce and support. I feel strongly that this AccountMate Enterprise product ensures AccountMate's future commitment to our current clients and prospects. It is our next generation platform. AccountMate Enterprise is tangible proof that AccountMate Software Corporation continues to assure that our solutions will see us and our clients well into the future!"

About AccountMate

Founded in 1984, AccountMate develops and markets fully modifiable business accounting software. Systems range from single user versions to those that support hundreds of users simultaneously. AccountMate software is available for local or cloud installation. It is distributed exclusively through a worldwide channel of authorized solution providers. AccountMate can be reached at (800) 877-8896 or at accountmate.com.
