

# AvidXchange™ AP & Payment Automation

## Product Description

Automation adds significant value to accounts payable, including real-time visibility into performance and financial status, increased accuracy, and better compliance. Simply put, if an organization is still receiving paper bills or paying bills with paper checks, they are not capitalizing on today's best practices.

AvidXchange is an innovative end-to-end accounts payable solution built to streamline your current payables processes. AvidXchange can optimize your payables mix while benefiting your suppliers with additional payment options and enhanced data.

Accounting teams are always looking for ways to save. From cost per invoice to employee salaries, every part of your workflow has a price tag. Embracing AP automation saves dollars and days, but exactly how much? Check out AvidXchange's [ROI Calculator](#) to see how much time and money you could get back annually for trusting us with your AP workflows.
