

National Commercial Capital

Product Description

AccountMate has partnered with National Commercial Capital as a preferred leasing company to enable the financing of AccountMate software and other services provided by Business Partners. National Commercial's personal service coupled with their ease of use will provide clients with the speed, simplicity and convenience required to make timely and cost-effective software financing decisions.

Business Partners are encouraged to have their clients bundle software, training, modification and consulting fees into the lease as prepaid items payable at the time of software delivery. To receive an info packet and take advantage of this program, please contact Robert Altiero at 973-276-9222 x 206.
