

Nowsight™ by Nowsight™

Product Description

Leading technology to take dashboards, analytics, business intelligence, and metrics to the next level using breakthrough predictive algorithms and operating business best practices to help deliver breakthrough results in every area of your business, quickly.

Nowsight™ stitches together all of your data sources to create a real-time, always-on, view of your company, that you can access 24/7/365. We help get the results you need to grow your business using powerful visualizations, prescriptive insights, and automated alerts. Nowsight™ gives you the information you need to increase revenue and profitability.

We use the APIs from all of the most popular web-based applications to import your cloud, spreadsheet, and application data into Nowsight™ and give you one true version of where you are and where you're going.

With a diverse team of experts who can quickly understand the key drivers of your unique company, Nowsight™ provides an invaluable approach to helping you run your company the way YOU want to run it – without inflexible software programs, long implementation times, and expensive business analyst labor or consulting costs.

Nowsight offers Simple BI, which is the ideal way for small and medium-sized business to gain the insights of a Business Intelligence system, at a fraction of the cost of a highly customized solution.

For the **manufacturing industry**, **Nowsight offers Nowtrack**, which is a groundbreaking Business Intelligence solution that works with virtually all manufacturing operations. Nowtrack wirelessly tracks output/throughput, line speed, downtime incidents, yield, history, and more.

Company Profile

Nowsight™ was built by business operators, for business people. Nowsight™ is a Business Analysis Service that was born out of necessity in a fast-paced operating company that needed to scale efficiently with minimal mistakes. Sitting on top of all of your company's core software systems, Nowsight™ provides immediate visibility and actionable insight with an interface as intuitive as a web page, personalized to each appropriate team member across the organization.

We are passionate about enabling businesses to grow and solve problems. Call us today to help you see results now.
