

zeckoShop

Product Description

zeckoShop is a powerful, feature-rich, all-in-one website and ecommerce platform that seamlessly integrates with AccountMate. zeckoShop provides all the tools you need to create a dynamic and flexible web-based extension to your business operations.

- Advanced and easy to use automation ensures your website and AccountMate system are always in sync.
- Fully customizable websites, scalable to support the needs of all businesses, no matter of size or complexity.
- Supports international commerce, with support for multiple languages and multiple currencies.
- Supports B2B and B2C commerce, all from one website, or from separate websites.
- Complete turnkey solutions, all in-house (no need to engage with multiple vendors to accomplish your web initiatives).
- Marketing and promotional tools to help generate new revenues, attract new customers, and keep existing customers loyal.
- Base solution includes an extensive selection of features. Premium add-on modules provide unique functionality not found in competing solutions.
- Salesperson module enables your mobile sales rep to sell more efficiently.
- zeckoCatalog– Create customer-specific product catalogs, price lists and other PDF catalogs, instantly and on demand, directly from your website.
- Affiliate Customer/Partner Websites. This game-changing web platform gives you a means to leverage your zeckoShop website to launch uniquely branded satellite websites for your channel customers and partners.
- Interactive Exploded Parts Diagrams. A tool that enables your customers to quickly find replacement parts on your website, simply by locating the desired part from an interactive exploded diagram of each product.

Company Profile

Terracor Business Solutions is a technology solutions provider. We specialize in web-based technology development projects, utilizing our zeckoShop ecommerce platform as the core framework. We offer full turnkey website/webstore solutions, from website designs, project implementations, training and ongoing support and training.

Our software development and deployment teams are comprised of software development professionals certified and skilled in application development methods and technologies, ensuring our software solutions are designed with the latest in industry standards and workmanship. We have won various awards throughout the years, recognition for our superior innovation and efforts in serving our clients and partner communities.

Third party software included on this site has not been tested and is not endorsed by AccountMate Software. Technical support and warranties are the responsibility of the issuing company.
